I'm
actually an
enchanted
cat-shaped
candelabrum.

My
name is
Kerze.

Lately,
it's been
harder trouble
trying to
remember some
thing for
him.

U
though...

I work here
in the Tower
of Mist for the
great magician
Nebelhaut, my
master.

Characters

STI

A fairy,
Nebelhaut goes
from a travelling
circus troupe. She
has the power to
heal wounds.

SCHREIER

An old friend of
Nebelhaut's. He's
bright and lively,
speaking word of his
travelling.
Occasionally, he goes
to visit Nebelhaut.

NEBELHAUT

The magician living in
the Tower of Mist.
He's mostly into
alchemy, and rarely
leaves the confines
of his home. His
actions have
something to do
with his past...

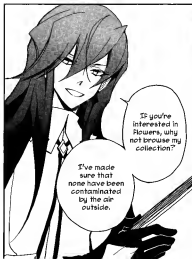

KERZE

Nebelhaut's devoted
servant. Though he's
not a human or
elf, depending on
his master's mood,
he's actually a
candelabrum.

In the loneliest depths of
the forest stands a tower
embraced by veils of fog.
There resides a magician
Nebelhaut, who makes a
hobby of collecting the
world's loneliest treasures.
With him lives a fairy,
Sti, whom he stole away for
her beauty. The fairy, who
had sealed away her heart,
is now painfully aware of
the magician's charms.
What will become of the
intrigued magician
and the fairy?

I know we're doing this for Master, but it still feels wrong to leave without telling him.

Hmm... Is it really okay to be out here?

Flowers~

Flowers~

In the end, we came out through the hole Scherus made in the wall.

MEW!

inkle

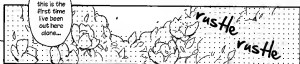

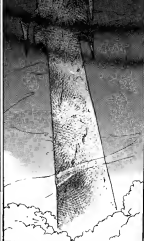

Okay, okay~ Don't wander off without me.

Kerze, we're looking for a silver flower, okay?

Not white like these.

...I only see white ones here.

Hmm... A silver flower. A silver flower.

My
sister?
Do I
even
have a
sister?

You
forgot me
too, didn't
you? You
must have
a pretty
bad
memory.

That's
okay
though. I'm
glad I was
able to
meet you
before I
fade away.

I finally
found
you,
Kerze!

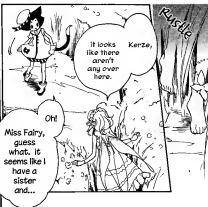

Who—Who are
you? How do
you know my
name...?

Aww,
what
are you
talking
about?

I'm
Klinge,
your
older
sister.

??

Found ya!

You silly, forgetful little you.

RUSTLE

RUSTLE

I'll definitely remember everything! I'll find Klinge,

And then my memories of the past will...

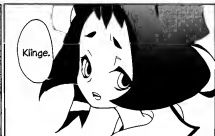

RUSTLE

they'll...

I want to remember.

Please tell me about our past.

Klinge.

Wow!
That's Master
for you.

I never
knew he
used to
fight bad
guys!

Master was
super strong, so
all the humans
lived in fear.

There were
even rumors
that calamity
would befall
any land the
Mission of
Mist passed!

You see,
Master used
to 'take care of
bad guys for
work.

Is that
so? Fine
by me.

Master
used magic,
and I had
my lovely
tail for a
weapon!

We got
rid of a
whole lot
of 'em.

Master was
amazingly
strong, after
all!

Like
this?

I was a
super thin,
pretty adult
before the
magic ran
out!

Oh,
and just
so you
know,

OPENS

Kazuo?

Master
stopped
using me.

Ever
since
then,

How-
ever...

...?

And put
me away in
a storage
room.

Master
found a lost
child during
work and
brought him
back.

She
told me
not to
let him
see me,

Our
master
died,
Kerze.

Don't you
remember?

After
that...
Master
made you,
Kerze.

Ah! Not
the you now.
She made
the original
you. Some-
thing like
that?

Huh?
Something...
Something
feels out
of place.

Still,
I'm pretty
impressed
with how
that kid
turned
out-

Must be
because
you've
be taking
care of
him.

Klinge!

It should be familiar, so maybe it'll spark your memory.

I'll give all the magic I have left to you.

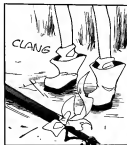

Kerze,

W-wait, I-

I'm
really
glad

that
I got
to meet
you!

They
were
teaching
him
magic...

—
Magic?
Who
was?

Master...
Right.
My old
master...

Nebel...

Your
manners
are
abysmal.

Mas...
ter...

That's
right...
I've seen
him
before.

back
when
he was
little.

Yes,
I...

The
person
who made
Klinge
and me.

DOES
THIS
MEAN YOUR
MEMORIES
HAVE
RETURNED?

...Kerza?

TELL
ME!

DID
SHE
REALLY
MEAN

WHAT
SHE
SAID
BEFORE
SHE
DIED!?

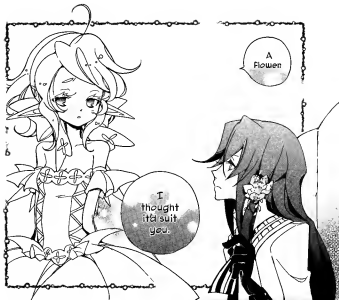

I suppose
it's my fault
that his
form keeps
changing.

I just
have too
much on
my mind...

How
silly.

...

You
went
outside
just
to find
one?

That
the silver
would look
nice with
your hair

I just
thought
